You're Invited...

to make the most of your summer!

**Join ARM for a summer of
extending love & serving the community.**

*Do you have a new address or
preferred contact method?
Please email sarah@arm-al.org
to update your preferences!*

*"ARM has shown me compassion and love in the sense
of bearing others' burdens. There has been a deep
expression of love for me as I am, and ARM did for me
that which God commands of all of us--and that is to
love and help one another." -- Ms. Rena, homeowner*

Founded in 1998, **Alabama Rural Ministry** serves rural Alabama communities through home repair projects and children's ministries. With a focus on sustainable homes and strong families, ARM partners with local churches, universities, and volunteers to build transformative, Christ-centered relationships.

Our mission is building servant leaders through home repair and community revitalization for God's glory.

**Let's grow closer to God.
Let's extend the love of Christ.**

**Let's make this summer
mean something more.**

**"Our students come back from ARM mission week
on fire to serve others. A summer without ARM just
seems unreal to us." -Melissa, Youth Director**

**We invite you to be part of our mission this summer by signing up
your youth group for a week of service and impact!**

WHO ARE ARM MISSION WEEKS FOR?

ARM's summer mission weeks are specially designed around your church's middle and high school students.

While we also host teams of adults, college groups, and inter-generational teams during the summer, our youth group mission weeks offer home repair work and discipleship programming geared toward pre-teens and teens.

Your youth will experience a week of Christ-centered growth in many aspects of their lives, including spiritual, servant leadership, and Christian fellowship.

WHERE DO THE MISSIONS HAPPEN?

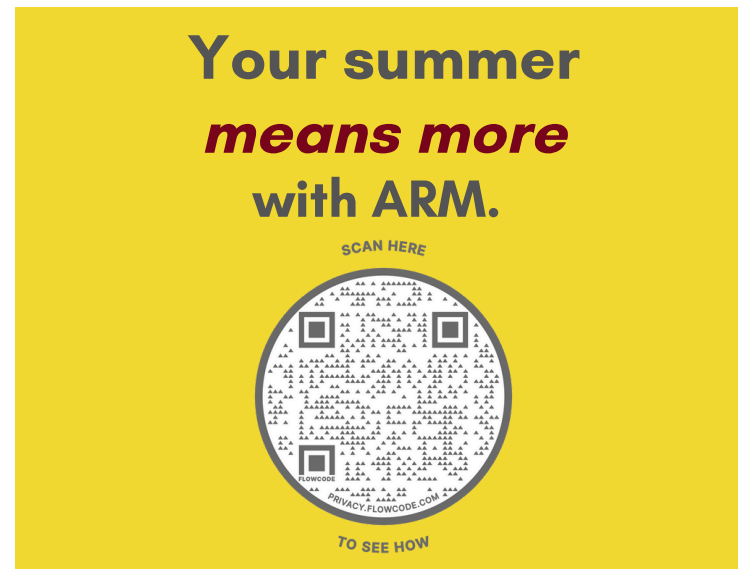

Teams serve in home repair for families in Lee and Macon Counties and with local children enrolled in Sunshine Kids Day Camp in Tuskegee.

Summer mission teams are hosted at a historic Methodist Church, located in downtown Tuskegee and owned by ARM. Twin bunk beds are provided in male and female bunk rooms.

Teams prepare their meals with assistance from ARM staff. Your menus and ingredients are on site. Missioners shower in an on-site shower building.

HOW MUCH DOES IT COST?

The cost per team member is \$319. This includes all programming, meals, and housing for the week. Your first team deposit is due within three weeks of registration, and final payment is due 30 days prior to arrival.

There is a one-time, per-team registration fee of \$100. This fee covers administrative costs, and is non-refundable and not counted towards your total team cost. Your registration is not complete until your fee is received. Submitting your registration fee holds your team's confirmed dates and size for up to 30 days.

WHAT IS ARM MISSION WEEK LIKE?

It's a 4-day-5-night (Sunday evening through Friday morning) mission and discipleship experience in rural Alabama. Your team extends the love of Christ with families and kids through home repair and day camp ministries.

Your home repair work can include anything from roof repairs, to painting, or flooring installation for homeowners in desperate need of your service. Some of your team may choose to serve at our day camp, providing VBS-style programming to children 5-12 in Tuskegee.

After a full day of service, your team gathers for evening worship, led by our summer ministry team. We provide your meals and housing, coordinate your team's home repair ministry, and serve alongside you with the day camp kids.
